

Website Development Document

Client: Nalathudan Vazhga

Purpose: Website Features and Requirements

1. Font Size: Increase the font size in the navbar for better readability.
2. Navbar Background and Text Color: Set the navbar background to white and the text to green.
3. Testimonial Section: Add 'Before title' followed by 'Before value' in the admin page testimonial section.
4. Site Font Style and Text Color: Set the overall site font style and text color to green.
5. Enquiry Forms: Create separate enquiry forms for users and franchises on a new page.
6. Quick Links: Add quick links in the footer.
7. Enquiry Form Labels: Add labels to all enquiry forms.
8. Fixed Navbar: Ensure the navbar is fixed and visible on all pages.
9. Alert Popups: Include alert popup boxes with descriptive messages for all alerts.
10. Search Bar Placeholders: Provide detailed placeholder text in all search bars.
11. Package Customization: Allow background and text color changes for packages through the admin page.
12. Office Times: Display office times (morning and evening) on the site.
13. Branch-Specific Office Times: Allow branch-specific office times (morning and evening) to be managed through the admin page.
14. Announcements Section: Remove office times from the announcements section.
15. INR Symbol: Replace the word 'Rupees' with the INR symbol (INR) in bold font.
16. Login Popup: Redirect users to a login popup on all pages with a description.
17. Active Menu: Highlight the active menu in the navbar and include an enquiry button.
18. Header Banner Carousel: Add a header banner carousel to all pages.

19. Event Prizes: Display 1st, 2nd, and 3rd prizes for upcoming events, winner lists, and overall lists.
20. Event Position Rearrangement: Allow the rearrangement of positions for upcoming events manually in the admin page.
21. Branch Search: Add a search bar on the contact page to view selected branches.
22. Unique Customer ID: Generate unique customer IDs for different users.
23. Weekly Evaluation Heading: Change the heading 'Weekly Evaluation' to a new title.
24. BMI/BMR/Fat Tracking: Remove BMI, BMR, and fat tracking features from the 'My Application' section.
25. Week Title: Remove the 'Week Title' from the gallery section.
26. Manual Discounts (Individual): Allow manual discounts for individual products.
27. Manual Discounts (Overall): Allow manual discounts for products across the site.
28. Weight Table Upload: Enable weight table uploads for users on the 'Upload Image' page.
29. Latest List Sorting: Display all lists in the latest-first order and add a fixed title while scrolling.
