No.5. 1st cross street tirumalai avenue near Ellaiamman temple, thiruvottiyur, chennai, India, 338752552,

Date of birth	16/11/2004	Nationality	Indian
---------------	------------	-------------	--------

PROFILE

I am a highly motivated and disciplined Bachelor of Computer Applications (BCA) student at Patrician College, set to graduate with all clear. With a strong foundation in programming and software development, I have honed my skills in Java, C programming, Git, SQL, and web development. My academic journey, combined with practical experience from a web development internship, has equipped me with a deep understanding of software solutions, database management, and version control systems.
