PROJECTS

Cake website | March 2024 - March 2024

- It's is cake shop website and it's is developed by using the html, CSS, javascript. Every page on your baking business website is a place to attract new cake orders, and the about page is a great opportunity to connect with your customers by giving them a chance to get to know you. It's important that you don't cram your website full of text and information as it can overwhelm potential customers and they may leave the website before they even see what you have on offer.

ACHIEVEMENTS

- Top 10 in class, Received scholarship in B.Tech/B.E.
- District winner in basketball in school
